**PLAINTIFF DOREEN HENRY'S FIRST REQUEST FOR ADMISSION OF FACTS TO
DEFENDANT TERRANCE HALL**

TO: TERRANCE HALL, Defendant

FROM: DOREEN HENRY, Plaintiff

Plaintiff, Doreen Henry ("Plaintiff" or "Ms. Henry"), by her attorneys, Jonathan P. Kagan, Michael J. Marinello, Veronica J. Mina, and Kagan Stern Marinello & Beard, LLC, propounds this First Request for Admission of Facts to Defendant Terrance Hall ("Mr. Hall" or "Defendant"). Pursuant to Rule 36 of the Federal Rules of Civil Procedure and Local Rule 104, you are required to respond to these Requests for Admissions within thirty (30) days after service of these Requests, and provide to the offices of Kagan Stern Marinello & Beard, LLC, 238 West Street, Annapolis, Maryland 21401.

INSTRUCTIONS

(a) Pursuant to Rule 36(a)(3), each matter of which an admission is requested shall be deemed admitted unless, within 30 days after service of the request, the party to whom the request is directed serves a response signed by the party or the party's attorney.

(b) Pursuant to Rule 36(a)(4), as to each matter of which an admission is requested, the response shall set forth each request for admission and shall specify an objection, or shall admit

or deny the matter, or shall set forth in detail the reason why the respondent cannot truthfully admit or deny it.

(c) Pursuant to Rules 36(a)(4) and (a)(5), the reasons for any objection shall be stated. A denial shall fairly meet the substance of the requested admission, and when good faith requires that a party qualify an answer or deny only a part of the matter of which an admission is requested, the party shall specify so much of it as is true and deny or qualify the remainder.

(d) Pursuant to Rule 36(a)(4), a respondent may not give lack of information or knowledge as a reason for failure to admit or deny unless the respondent states that after reasonable inquiry the information known or readily obtainable by the respondent is insufficient to enable the respondent to admit or deny.

(e) Pursuant to Rule 36(a)(5), a party who considers that a matter of which an admission is requested presents a genuine issue for trial may not, on that ground alone, object to the request but the party may, subject to the provisions of Rule 36(a)(4), deny the matter or set forth reasons for not being able to admit or deny it.

(f) Pursuant to Rule 36(b), any matter admitted under this Rule is conclusively established unless the court, on motion, permits withdrawal or amendment.
